The fee per retail vendor stand for the duration of the event is R2750 (including VAT). Should not wish to trade for the full time, please let us know which days you intend trading, however, the full fee is payable regardless. This fee covers a standard space of 3m x 3m. If you wish to book more space, please indicate double or triple stand etc, which shall be billed accordingly.

We are currently looking at layout options and will communicate in due course, but in principle all vendors will be expected to provide their own setup i.e. gazebo, marquee etc. and should you require extra security overnight, this will need to be provided at your own cost.

*Please note that The Shongweni Club cannot guarantee vendors electricity supply; therefore, please arrange to supply your own generators if required.

Once booking form is submitted, an invoice will be raised to the vendor. Bookings are only confirmed on receipt of payment in full.
